- Temperature range : Cooking 200°F~320°F  
Holding 60°F~205°F.
- Made of stainless steel.

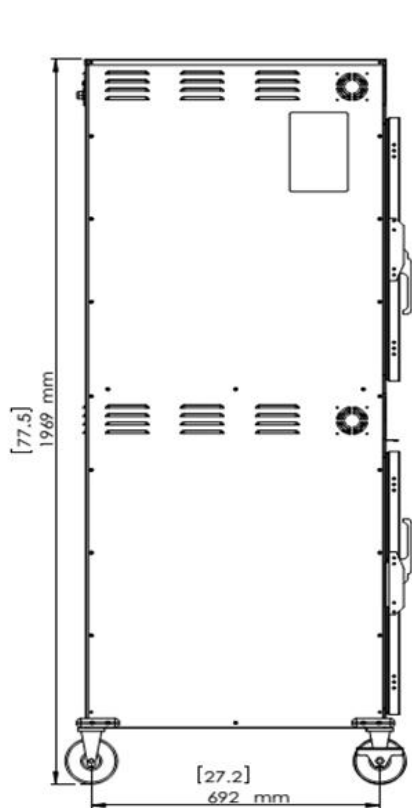

Note: Dimensions and Specification are subject to change without notice.

This Energy Efficient half size oven has a controlled, uniform heat source that maintains close temperature tolerances throughout the cooking and holding function. As a result, consistent cooking offers low shrinkage of bulk or portion-cut protein items, higher food moisture content, and significantly longer holding life. Max temperature 320 degrees °F.
